Proverbs 26:2 states that curses do not "come upon" or "light on" an individual, family, or society, unless there is disobedience to God's Word, OR there is an "open door" through which it has been invited or "agreed with" via a spoken word(s) or action. In this world there are two Kingdoms. The Kingdom of God and the Kingdom of Satan, (Mark 3:20-27). Daily, every person chooses to live for one versus the other, whether they consciously know it or not. This document is meant to shed God's light on the subject of "curses".
